Senate Select Committee on Intelligence  
Washington, D.C. 20510

Pat:

Per our conversation of this morning, I am attaching a copy of the "views letter" we prepared on H.R. 12171, the "Federal Accounting and Auditing Act of 1978" and a copy of the letter sent by the DCI to Chairman Boland requesting that the House Permanent Select Committee on Intelligence take "sequential referral." HPSCI has requested and has been granted sequential referral of the bill and according to Mike O'Neil will begin considering it after the House reconvenes on 5 September.

If you have any questions please feel free to call. [redacted]
